

LEAGUE OF WOMEN VOTERS®
OF BUCKS COUNTY

MEMBER SURVEY

Name: _____

The League's value to our community depends on member involvement to support voter education and participation. Help is always needed and appreciated. Please indicate areas that interest you.

VOTER REGISTRATION – Work with trained LWV teams to actively register all eligible citizens; to educate voters on the election process; to uphold voters' rights.

ELECTION REFORM – Promote election improvements, including early voting; same-day registration; redistricting reform; merit selection of judges; voting methods; campaign finance regulation; and more.

VOTERS GUIDE – Obtain, compile and publish (via print and website) candidate positions, in order to educate and assist voters as they prepare for Election Day.

CANDIDATE FORUMS – Organize and present pre-election question and answer sessions which inform the public about the views of state, local and Congressional candidates.

PROGRAM COMMITTEE - Plan and facilitate public non-partisan informational programs on important national and/or state issues and policies.

LEGISLATIVE INTERVIEWS – Participate in interviews with our state legislators and report their opinions concerning vital issues; this will support the LWVPA in its advocacy role.

OBSERVER CORPS – Attend local government meetings as a non-partisan League Observer; submit reports of discussion/action on issues of public or LWV concern.

COMMUNICATIONS COMMITTEE – Work collaboratively to create and distribute information about the League and important events/issues to members and the public via print, news media, social media and the web

DEVELOPMENT – Help sustain revenues to support the League's mission; increase League visibility; and cultivate positive relationships in the community.

MEMBERSHIP - Help recruit, welcome and retain new members; provide new members with information on League activities and policy positions.
